Press about the exhibition

"An outstanding exhibition with a fascination for mechanism, power and speed; a highlight"

JAN DOMS Lecture Russian avant-garde

Wednesday evening **April 18th 19:30 hrs** Fee € 7,50

Jan Doms takes part in the exhibition SPEED DESIGN 'N ROBOTS

At Wednesday evening April 18th 19:30 hrs he will give a lecture in High Culture Art Gallery Maastricht about the Russian avant-garde related to his work as a sculptor, performer and designer.

During his education at the Tilburg Academy he studied the history of art, architecture and design of the Russian Avant-garde. He became inspired by artists like Tatlin, Rodschenko, Chernichov, Popova, Gontscharova, the brothers Burljuk, Maholy-Nagy, Malevich, Klucis, Diaghilev and many others.

The oeuvre of Jan Doms reflects the influence of this amazing and vital era in the history of art.

This lecture is an adventurous journey along the dynamic world of the historical and current manifest of constructivism.
